

Identity Theft & Misuse Contact Log

Organisation Engaged	Phone / Address	Contact Time & Date	Contact Person (Name / Title)	Who Initiated the Contact on this Occasion	Notes (what was asked, what was the response, what are the next steps/options)

iDcare’s Identity Theft & Misuse Client Log is designed to give individuals a template for recording engagement with organisations and individuals in relation to the response to your given circumstances. It is critical that when responding to an identity theft and misuse event that individuals document who, when, what, why and the key content of discussions and advice provided. The information documented may be useful in future criminal, civil or administrative action planned or unforeseen. For more information on how to respond to identity theft and misuse please contact iDcare on 1300 432 273 (Aus) / 0800 201 415 (NZ) or visit www.idcare.org
